Cost and ordering information:

This kit includes all electronics to get you going, including all LEDs and high current 12 Volt power supply, siren and all accessories.

Typical commercial scoreboards of this size and feature set range from around \$10,000 to \$25,000.

As this board is available in kit form, these costs can be greatly reduced.

The total cost for our APMP kit board is \$2990 plus \$80 shipping

Terms and conditions

- 1 The scoreboard is not for resale for a minimum of 5 years from the date of purchase.
- 2 The discounted price and the "Scoreboards for Schools" program is only available to schools and/or not-for-profit societies as deemed fit by APMP. APMP reserves the right to refuse sale.
- 3 Warrantee:
The pre-built transmitter and receiver is covered by a 1 year warrantee from date of purchase.
The LEDs and PCBs that are soldered by students are covered for manufacturing defects only.
- 4 The standard APMP kit construction disclaimer applies, as found at www.apmp.com.au
